

2014-2015 CHEF Co-op

Exploring Creation with Chemistry & Physics

Instructor: Marcia Brauning

Class Code : SCI200

Co-teacher? Jen Swartzentruber & Heidi Boyer

Class Time 8:15-9:15am

Tuition : \$20/semester

Length of Class (1st sem/ 2nd sem/both) **Both**

Materials Fee : \$20/semester

Description:

Exploring Creation with Chemistry and Physics from Apologia is a wonderful introduction to the fascinating world of chemistry and physics and helps students discover and learn how the physical world God created works. We will explore matter and energy through lessons that cover atoms, molecules, simple chemicals, laws of motion, electricity, magnetism, and simple machines. Classtime will be spent in hands-on activities and experiments that support and reinforce the text.

Enrollment: Min: 8

Max: 15

Pre-Requisites: 3rd-5th grade

Required Text:

Highly recommended: *Exploring Creation with Chemistry and Physics* (Apologia Young Explorer Series) by Jeannie Fulbright (Text & Notebooking Journal)

Additional Materials:

pencil, colored pencils, 3-ring notebook or folder
