Description

This will be a Bible Study for 6th - 12th grade girls on the book of James in the fall and topical studies in the spring. I plan to have us support each other through sharing prayer requests and praying for each other during the week. Once a month I plan to have a fun time with games and snacks. We may also incorporate service projects as well. All my teaching will be overseen by Mrs. Pam Hess, who will be present in class. I will be using Lifeway resources.
