World Geography

Instructor: Wendy Hazen

Class Code : Geog200

Tuition : n/a

Length of Class (1st sem/ 2nd sem/both)

both

Materials Fee : \$30/Semester

Description:

We will travel the world and visit 4 countries from each continent. Each week we will study one country, learn the culture, identify where the country is located on the globe, recognize the flag, and learn about details concerning christian explorers/missionaries/and history makers in each country! Each week we will work on our Travel Log (3 ring binder lap book for each country). There will be weekly take home assignments and extra incentive work to be brought back each week. Three country reports will be assigned throughout the year. This class will take your child on a little trip around the world and hopefully open their eyes to the world outside themselves and learn how children their age live!
