Description:

This year in IEW-A, we will be using the theme-based book, *All Things Fun and Fascinating*. This is a book with various stories and resource materials that cover various periods of history, and is not particular to the Middle Ages. It covers IEW units 1-7, including such things as Key Word Outlining, Story Sequence Outlines, Summarizing, Writing from Pictures, Research Reports, and Creative Writing. We will also introduce several IEW dress-ups and decorations in this book. I would recommend this book for fourth graders up to reticent seventh graders.
