

2015-2016 CHEF Co-op

Anatomy and Physiology for 5th/6th grade

Instructor: Cheri Boring, PT

Class Code : Sci290

Co-Instructor: Dawn Clark, RN

Tuition : 25\$/semester

Length of Class (1st sem/ 2nd sem/both) both

Materials Fee : 5\$ per semester

Description:

Anatomy and Physiology for 5th and 6th grade is a class designed to inspire and encourage students in their understanding of God's incredible design of the human body. Some of the major systems of the human body to be studied include the musculoskeletal, cardiovascular, neurologic, digestive, endocrine, and respiratory systems. HOMEWORK will consist of reading half of a chapter per week and doing corresponding notebooking journal assignments. Class will be time for review of students' reading and homework assignments, experiments, and activities like acting out the "cell city", walking through a digestive tract, manual muscle testing, and CPR on mini "Annie's". GRADING, to be posted on engrade, will be based on class participation, homework, and in-class (low stress) quizzes given at the end of each chapter.

Enrollment: Min:

6

Max:

14

Pre-Requisites:

5th and 6th grade

Required Text:

From the Appologia Science curriculum, Exploring Creation With Anatomy and Physiology, by Jeannie Fulbright and the corresponding Anatomy Notebooking Journal by Jeannie Fulbright. (Not the junior one.)
