Description

This class originated years ago in our school-room at home. My kids loved reading the Bible together, gathering props, setting the "stage", and then acting it out! Then the opportunity arose to do "Act out the Bible" weekly with the children of a local daycare. At the Early Childhood Learning Center, we call it Wee Worship. We open with singing, "Our God is so great", then we read a Bible story which shows how great God is, then we choose actors and actresses to act it out. Afterwards, we learn the new verse to the 20-verse song that I've written, "Sing through the Bible". It is so amazing to hear young children singing, by memory, a song that takes them through the Bible, from Genesis to Resurrection. The curriculum that I've written and have been using for 3 years will be adapted for use at the Co-op for 1st and 2nd graders. It is an excellent way for kids to learn the chronology of the Bible, grow in their understanding of God, and have a blast together.
