Description

I believe we as Christians are all carriers of Christ. Some of us are the only Christian influence others may ever meet, so we need to make every minute count. As men, we need to be authoratitive, yet compassionate. We need to leave a Godly example for people to follow. In this boys only Bible study, we will dig into God's Word and find out what our role is as men and how to overcome fear, laziness, and temptation. I will be using the textbook *Boyhood and Beyond* by bob Shultz. We will do sword drills and exciting Bible activities to sharpen our knowlege of God's Word.
