

2016-2017 CHEF Co-op

# Astronomy

Instructor: Sharon Shultz

Class Code : SCI200

Co-teacher? Melanie Kelchner

Tuition : \$20/semester

Length of Class (1st sem/ 2nd sem/both) Both

Materials Fee : \$30/semester

## Description

This course for 3rd to 5th graders will explore God's creation through the study of astronomy. Students will learn about each planet, the sun, moon, stars, galaxies, and space exploration. Students will participate in many hands-on labs and crafts. The students will assemble mini books and learn vocabulary. This class will include light homework.

We will be using Exploring Creation with Astronomy by Apologia. Purchase of the text is optional and not required for the course. Parents who wish to look at any topics more in depth or have older students may choose to purchase the Apologia text.
