## Description:

In this class kids will be dissecting the life and miracles of Jesus. I believe it is important to take note of the way he lived because we are called to "greater things" (John 1:50). The curriculum I will be using for this course is called "New Testament: Miracles of Jesus" by F.L. Booth and "The life of Christ: Family reading plan". Each class we will dissect a miracle that Jesus performed and discuss it with a study guide. There will be minimal homework. (this class will not be graded)

Enrollment:
