Description

Kindergarten meets from 9:00- 11:45. I will be using center based teaching along with circle time and classic style. We will be working on many concepts/skills including recognizing and writing the alphabet, recognizing and writing numbers 1 - 50, math readiness, reading readiness and/or reading depending on skill level, recognizing shapes and colors, writing and recognizing student's name, beginning to understand days and months, some music, science and geography. They will work on fine motor skills by doing cutting, tracing, writing, coloring and various activities, toys and crafts that require such skills. A monthly Bible verse will also be introduced. Again this year is Action Bible Story with Cheri Boring. She will be doing a 20 minute chronological study of the Bible for kids. Students will have the opportunity to work on large motor skills during a 20 minute gym class with Marie Kane which will include stretching, dancing and lots of fun.
