Tuition : \$0

Length of Class (1st sem/ 2nd sem/both) both

Materials Fee : \$20/semester

Description:

This class will be based on the text *Science in the Beginning* by Dr. Jay L. Wile. Dr. Wile has written a series of science texts that approach science in a historical biblical manner. Each week we will review an aspect of God's creation, as based on the seven days of the creation week. The children will participate in both didactic and hands-on experimental activities. Scripture and recitation of memorized bible verses will be integrated into the class. A compilation of the student's work will be maintained and distributed at the completion of the co-op year.
