

2017-2018 CHEF Co-op

Anatomy and Physiology

Instructor: Janine Hecker
Class Code : SCI400
Co-teacher?

Tuition : 0

Length of Class (1st sem/ 2nd sem/both)

Materials Fee : 15/semester

Description:

This course is designed to be a first-year high school Anatomy and Physiology course in order to introduce students to concepts covered in a college level course. The course will introduce students to the design of the human body, including body systems, organs, hormones, diseases. Systems included will be the endocrine system, nervous system, skeletal system, muscular system, the circulatory system, digestive system, immune system, and the reproductive system. The activity books include fill-in-the-blank, true/false, multiple choice, and matching type questions that test the student's knowledge of the concepts taught in the texts.

Enrollment: 5 Max: 20

Pre-Requisites: none

Required Text: TBD

Additional Materials: 3 ringed binder and notebook paper
